INTRODUCTION
AND
GENERAL INDEX

HILL DIRECTORY COMPANY, publishers of Southeastern Directories, present to subscribers and the general public, this, the latest edition of the Sanford City Directory. (In all, the HILL DIRECTORY COMPANY and its affiliated companies publish more than 1,400 city and suburban Directories).

Confidence in the growth of Sanford's industry, population and wealth, and in the advancement of its civic and social activities, will be maintained as sections of this Directory are consulted, for the City Directory is a mirror truly reflecting Sanford to the world.

The enviable position occupied by HILL's Directories in the estimation of the public, has been established by rendering the best in Directory service. With an unrivaled organization, and having had the courteous and hearty cooperation of the business and professional people and residents, the publishers feel that the result of their labors will meet with the approval of every user, and that the Sanford City Directory will fulfill its mission as a source of authentic information pertaining to the city.

Four Major Departments

The four major departments are arranged in the following order:—

I. THE BUYERS' GUIDE constitutes the first major department of the Directory, printed on yellow paper. In the first section of this department, grouped under appropriate headings, are included the advertisements and business cards of firms and individuals desiring to make a complete presentation of their products or services. Following this is the Classified Business Section, which embraces a list of the names and addresses of all business and professional concerns of the city, arranged in alphabetical order under appropriate headings—a catalog of all the activities of the city. The Buyers' Guide represents reference advertising at its best, and merits the attention of all buyers and sellers seeking sources of supply or markets for goods. In a busy and diversified city like Sanford, the necessity of having this kind of information up-to-date and always immediately available, is obvious. The City Directory is the common intermediary between buyer and seller, and plays an important role in the daily activities of the commercial, industrial and professional world.

II. THE ALPHABETICAL LIST OF NAMES of residents, business and professional concerns is the second major department, printed on white paper. This Directory aims to show the name, marital status, occupation and address of each adult resident of Sanford, and the name, official personnel, nature and address of each firm and corporation in the city. A special feature of this section is the listing of telephone numbers.

LEE COUNTY LIBRARY
SANFORD, N. C.

III. THE DIRECTORY OF HOUSEHOLDERS, INCLUDING STREET AND AVENUE GUIDE is the third major department, printed on green paper. In this section, the numbered streets are arranged in numerical order, followed by the named streets in alphabetical order; the numbers of the residences and business concerns are arranged in numerical order under the name of each street, and the names of the householders and concerns are placed opposite the numbers. The names of the intersecting streets appear at their respective crossing points on each street. Special features of this section are the designation of owner-occupied homes, the listing of telephone numbers, new householder symbols and Zip Codes.

IV. THE NUMERICAL TELEPHONE DIRECTORY is the fourth major department, printed on blue paper.

This publication also contains a Lee County Rural Residents Directory printed on white paper immediately following the Numerical Telephone Directory.

Municipal Publicity

The City Directory reflects the achievements and ambitions of the city, depicting in unbiased terms what it has to offer as a place of residence, as a business location, as a manufacturing site, and as an educational center. The publishers have placed copies of this issue of the City Directory in Directory Libraries, where they are readily available for free public reference, and serve as perpetual and reliable advertisements of Sanford.

The Sanford Out-Of-Town City Directory Library

Through the courtesy of the publishers of the Sanford City Directory, a Directory Library is maintained in the offices of the Sanford Chamber Of Commerce Inc., for free reference by the general public. This is one of many Directory Libraries installed in cities and towns throughout the United States and Canada through the courtesy of your publisher.

The publishers appreciatively acknowledge the recognition by those progressive business and professional people who have demonstrated their confidence in the City Directory as an advertising medium, with assurance that it will bring a commensurate return.

A STATEMENT

of

ADVERTISING PRINCIPLES

1. GOOD ADVERTISING—aims to inform the consumer and help him to buy more intelligently.

2. GOOD ADVERTISING—tells the truth, avoiding misstatement of facts as well as possible deception through implication or omission. It makes no claims which cannot be met in full and without further qualification. It uses only testimonials of competent witnesses.

3. GOOD ADVERTISING—conforms to the generally accepted standards of good taste. It seeks public acceptance on the basis of the merits of the product or service advertised rather than by the disparagement of competing goods. It tries to avoid practices that are offensive or annoying.

4. GOOD ADVERTISING—recognizes both its economic responsibility to help reduce distribution costs and its social responsibility in serving the public interest.

SANFORD

"WHERE BUSINESS AND FRIENDSHIP THRIVE"

(Courtesy Sanford Chamber Of Commerce, Inc.)

Sanford is located near the geographical center of the state in the healthful pine belt, 46 miles southwest of Raleigh, N. C. It was incorporated in 1874, just after the Raleigh and Augusta Air Line Railroad was completed from Raleigh. About 200 people lived here at that time. The town was named for Colonel C. O. Sanford, chief civil engineer for the railroad, who lived here several months while the railroad was being built.

Population

The 1880 census indicated a population of 236. By 1950, it had grown

to 10,013, and in 1976 increased to 16,000. Sanford is known as a friendly city; visitors note that friendliness is an outstanding characteristic of the citizens.

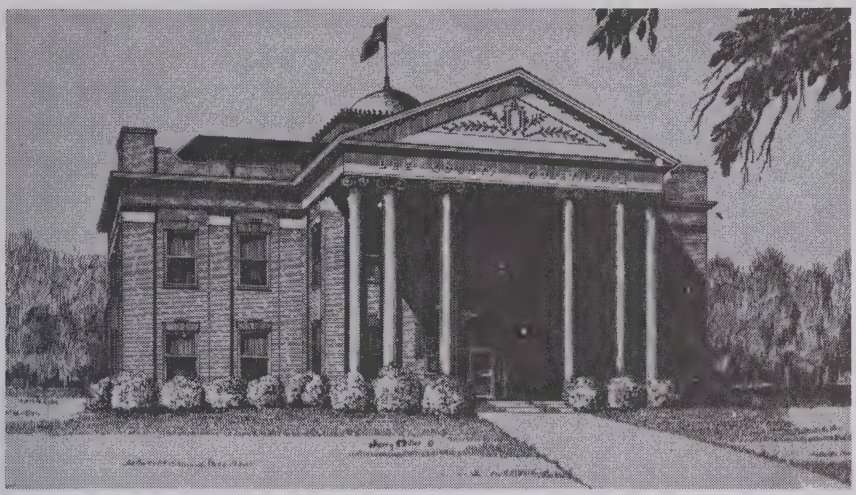

LEE COUNTY

Sanford is one of only two incorporated towns in the county (the other being the Town of Broadway). The county was formed by the General Assembly in 1907 from parts of Moore and Chatham Counties, and named in honor of General Robert E. Lee.

First settlements in the area were established about 1745, but before that large numbers of Scots were moving along the Cape Fear and Deep Rivers.

Agriculture

Agricultural crops include tobacco, cotton, corn, and soybeans. There has been a gratifying increase of livestock of all kinds on the farms. The tobacco market is among the best in the state as far as prices are concerned. The stores are equal to the best—as visitors know. Natural Resources: Clay, timber, coal.

MORE FACTS AT YOUR FINGERTIPS

Four major directories in one volume:

1. The City Directory is the only record in existence that aims to identify every adult resident in your community with sufficient other information enabling you to select and contact your best prospects for sales and service.
2. The City Directory's Street Directory is again the only "complete" Street Directory of all streets and residences in your community and, therefore, is the only sure way to identify everyone in a given area or on a given street.
3. The City Directory is unequaled when used for verification of information by your sales, service and office personnel and is considered a virtual necessity by most business and professional firms.
4. The City Directory pays back its cost many times over when used intelligently in the daily conduct of business by those in your firm who come in contact with your customers and prospects or have anything to do with processing information about them.

Be certain that everyone in your organization is carefully instructed and thoroughly familiar with the information it contains and how to use it. To assist you, the publishers have included detailed instructions on the opening pages of each of the four Directories which should, in a general way, familiarize each user with its contents and applications.

Also, should you desire additional copies of these instructions, please write the publisher at the address in the front of your Directory.

Get Your Money's Worth

Recommended thermostat settings (78° in summer, 68° in winter), proper insulation and equipment maintenance help you get the most for the money you spend for electricity.

Electricity does cost more today, so it makes good sense to use it wisely.

Out of Sight • Out of Mind
★ *Out of Business* ★

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

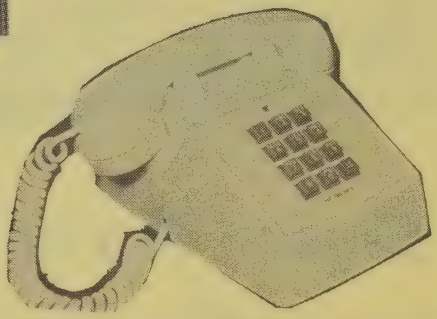

★

The City Directory is the natural medium for keeping a business or product name in the spotlight. *Insist on being well represented in its pages.*

WHAT'S IN A PHONE NUMBER?

ABOUT THE FIRM:
Who called me? When your call back message gives a telephone number only—or includes a common surname such as Jones, Smith, Brown, etc.—this Numerical Telephone Directory will assist in determining correct firm name. Make use of both Alphabetical and Street Guide information to establish names of officers, owners or partners, products and services, and correct address. Properly identify firm and caller and have needed records, file or correspondence on hand before returning call.

ABOUT THE INDIVIDUAL:
Who called me? When only a telephone number is known, this Numerical Telephone Directory will assist in determining the name of the subscriber—with this information combined with other sections of your City Directory you may quickly establish such information as wife's name, place of employment, job title, home address, business address and telephone number.

FAMILIES WHO RENT

"VACANTS"... AND UNDER CONSTRUCTION

HOMEOWNERS

By having and using your own copy of the local City Directory, you can positively identify—and reach—the kind of person, business firm and family that are most likely to be in the market for the type of product or service that you sell. Through the City Directory you'll be reaching the individuals and businesses with the top purchasing power in your community . . . those who consistently buy when they want to buy, not when they have to.

By advertising in your local City Directory, you can make sure these same people can identify and locate YOU.

You join with the backbone of your community business life: you become an integral part of the permanently established, successful firms in your community when you advertise in your local City Directory. This is prestige advertising without the financial penalties normally associated with prestige advertising.

NEW NEIGHBOR

Be certain that everyone in your organization is carefully instructed and thoroughly familiar with the information it contains and how to use it. To assist you, the publishers have included detailed instructions on the opening pages of each of the four Directories which should, in a general way, familiarize each user with its contents and applications.

Also, should you desire additional copies of these instructions, please write the publisher at the address in the front of your Directory.
